Sheaffer® Reminder

REMINDING YOU TO CLICK IT BEFORE YOU CLIP IT.

A master of design ingenuity, it features the Sheaffer clickable clip that was first introduced in the 1960s. The smart design prevents the clip from attaching to a pocket, lapel or sheets of paper whenever the writing tip is activated, guarding against contact with even a hint of ink reminding you to click it before you clip it.

IN THE BEGINNING

The Sheaffer Pen Company was founded in **1913** by **Walter A. Sheaffer**, a jeweler in Fort Madison, Iowa.

Sheaffer was initially interested in developing a pen that could be refilled easily, without the mess and inconvenience of ink bottles. He eventually patented a lever-filling mechanism that allowed users to refill their pens quickly and cleanly.

This innovation helped to establish the Sheaffer Pen Company as a leading manufacturer of fountain pens, and the company continued to develop new designs and technologies over the years.

TOUCHDOWN

In the 1930s, Sheaffer introduced the Touchdown filling system, which allowed users to fill their pens with a single stroke of the plunger. The 1940s saw the company develop the Snorkel filling system, which allowed users to fill their pens from a bottle of ink without having to dip the nib into the inkwell.

BREAKING THE MOLD

Sheaffer's popularity soared even higher during the 1950s and 1960s as the company expanded its product line to include ballpoint pens, rollerball pens and mechanical pencils. Some of the company's most famous products from this era include the Sheaffer PFM (Pen For Men), an oversized pen with an inlaid nib molded directly into the gripping section, and the fashionable Lady Sheaffer, an elegant, clipless pen.

THE ART DECO MOVEMENT

The Art Deco movement was a design style that emerged in the early 20th century and was characterized by its bold geometric shapes, stylized motifs, and streamlined forms. This aesthetic had a significant influence on the Sheaffer, which began producing pens during the height of the Art Deco era.

Sheaffer pens from this period often featured sleek, aerodynamic shapes, with highly polished finishes and decorative elements. Sheaffer's use of Art Deco design elements helped establish the company as a leader in the luxury pen market and several present day collections are still influenced by this iconic design movement.

Personalization

At Sheaffer, we believe in the power of meaningful gifts. Our pens aren't just tools; they're timeless symbols of appreciation. Whether for an employee, a client, or a promotional item, a Sheaffer pen elevates any occasion. Personalized with a name or company logo, each pen becomes a cherished keepsake, leaving a lasting impression with every use. Our expertise lies in personalizing writing instruments, and as technology advances so have our methods of customization.

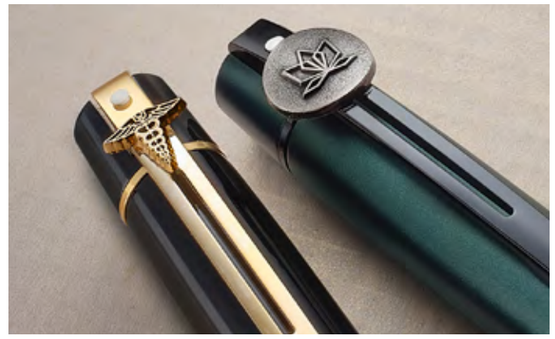

Laser Engraving

Laser engraving brings your personal touch to life using precise laser technology. It vaporizes materials, leaving behind deep, permanent marks on the pen's surface with intricate designs to bring your name or the logo alive.

Clip Emblems

Clip Emblems add a touch of professionalism and style to our pens by rendering metal logos in a standout manner on the pen clip. The logos can be made in various predefined shapes and sizes.

Direct To Film Sticker

Direct to Film Sticker printing, or DTF printing, adds a unique touch to our pens. This method uses a Direct Transfer Film to create a personalized adhesive layer that adds an extra dimension to the pen which is tactile in nature. Direct to Film Sticker is one of the best options for colourful logo printing.

Sheaffer Table Top
The cleverly designed rotating tabletop display unit is perfect for showcasing your Sheaffer products. Crafted to maximize the use of your valuable counter space, it has two wide display sides and two narrow sides. Each display side accommodates 12 pens and features hooks and platforms for accessories. One of the narrower sides proudly displays the Sheaffer brand logo, while the other side is designed to accommodate a replaceable graphic display, allowing for additional customization.

Sheaffer Tower
The illuminated display towers feature a sleek design with sturdy glass shelves, offering ample space for showcasing your Sheaffer products. With clear displays on all four sides, these towers provide maximum visibility from every angle, making your items stand out in any setting. The tower is equipped with castor wheels on its base and a built-in lock. Additionally, there is an opaque storage tier located at the bottom, which is safeguarded by a separate lock. Each tower is proudly crowned with a backlit "Sheaffer" brand logo.

SHEAFFER WARRANTY

Two-Year International Warranty on Writing Instruments

Sheaffer offers an international mechanical guarantee on its writing instruments, which covers defects in manufacturing and materials for a period of two years from the date of purchase from an authorized Sheaffer retailer. Mechanical failure is defined as a defective product or a product unable to function as a result of construction or workmanship when used in accordance with the Care & Use Instructions enclosed with the product or viewable at https://sheaffer.com/community/faq. Sheaffer or its appointed country distribution partners shall have the right to determine if the component is defective and, at its option, replace it with a similar or equivalent item. For a replacement, the defective product must be returned to the nearest Sheaffer authorized service center at the customer's expense (shipping and insurance fees and any additional applicable handling fee for processing). Customers are advised to obtain insurance against loss or damage when shipping products to Sheaffer. Sheaffer cannot replace components it does not receive, so kindly ensure you have proof of shipment. Please visit https://sheaffer.com/pages/warranty to complete the online Warranty Form PRIOR to sending us the product. At Sheaffer's discretion, products with issues unrelated to mechanical failure may be serviced on a chargeable basis. Any product which is covered under the terms of this warranty but is no longer in production will be replaced with a comparable Sheaffer product.

Exclusions from warranty include

Normal wear and tear, stains, discolorations or scratches. Damage caused by any accident, fire, theft, flood, or other causes beyond our control. Damage caused by ink leaks to textiles, apparel or other personal property. Damage caused by misuse, abuse and/or negligence. Damage resulting from repairs or manipulations carried out by unauthorized or nonqualified repair/service personnel. Inks, cartridges, refills exhausted in the course of normal use, damaged fountain pen nibs, emblems and other customized decorations. Damage caused by the use of refills or ink cartridges other than those produced by Sheaffer. Requests to change nib sizes cannot be accommodated as such modifications are not within the scope of this warranty.

Sheaffer retains the right to modify the terms of our warranties

This warranty gives you specific legal rights, and you may have other rights which vary from country to country, state to state or jurisdiction to jurisdiction.

Two-Year Leather Warranty

All Sheaffer branded leather accessories are unquestionably guaranteed against defects in workmanship for two years from the date of purchase.

Any Sheaffer accessory deemed by Sheaffer to be mechanically defective under this warranty will be replaced when sent to an authorized distributor/Service center of Sheaffer by the customer. Any product which is covered under the terms of this warranty but is no longer in production will be replaced with a comparable Sheaffer product. Postage, processing fees and insurance are the responsibility of the customer. Customers are advised to obtain insurance against loss or damage when shipping the products. Sheaffer cannot replace components it does not receive, so kindly ensure you have proof of shipment.

Exclusions from warranty include

Parts damaged by impact, unreasonable use or obvious abuse. Discoloration due to aging or other deterioration of the leather wrapping. Materials which become worn in the course of normal use. Logos, personalization, and other decorations. Products beyond the warranty period may be serviced at Sheaffer's discretion on a chargeable basis.

SACN FOR A MINI VIRTUAL TOUR OF THE MUSEUM

SHEAFFER PEN MUSEUM

FORT MADISON, IOWA, USA

Fort Madison – does this place ring a bell? This is where the Sheaffer Pen Company came to life. To celebrate the success of its writing instruments and the company, Sheaffer built a museum in 2011.

The museum was established to showcase the company's achievements and to take pen enthusiasts through the continuous innovation in writing instruments. It features more than 25 display cases with Sheaffer writing tools and items from the past.

At the museum, visitors can see a mock setup of the factory floor where the iconic Sheaffer pens were made. There is a section showcasing all the different parts that go into making a pen. Visitors can talk to the staff about Sheaffer's history and its evolution over the years. They can also write with some of the old Sheaffer pens to experience the difference and purchase a range of Sheaffer pens on their way out.

Visit the Sheaffer Museum in Fort Madison, Iowa, and delve into the history of how pens were made back in the day and what has made it a brand pen enthusiasts love across the globe.
